## KIT CARTER FRIZIONE / CLUTCH CASE KIT

Grazie al nuovo Carter Racing ATHENA è possibile:

- ispezionare o cambiare la frizione senza togliere l'olio del motore, l'acqua dell'impianto di raffreddamento e i relativi tubi di collegamento;
- aumentare le performance del motore:
  - eliminando completamente il sistema meccanico di miscelazione e le relative perdite di potenze dovute allo stesso;
  - riducendo il volume interno del carter e la quantità d'olio rispetto all'OEM, minimizzando gli sbattimenti e i relativi attriti, cause dell'aumento della temperatura d'esercizio con conseguenti perdite di potenza e maggiore usura della frizione.

Il Carter Racing ATHENA è adattabile a tutti i motori MINARELLI AM 3-4-5-6 senza alcuna modifica e difficoltà al montaggio ed è utilizzabile sia per la versione con avviamento a pedale che alla versione ad avviamento elettrico

Thanks to the New ATHENA Racing Clutch Case, it is possible to:

- Check and/or replace the clutch without draining the engine oil as well as the cooling water and without unplugging its manifold.
- Increase engine performance by:
  - Eliminating the oil mixing pump and therefore its mechanic losses;
  - Reducing the total oil volume inside the engine, in order to decrease oil splashing and frictions, which are the causes of temperature increase and consequential power loss and clutch wearing.

The ATHENA RACING CLUTCH CASE can be easily fitted in all MINARELLI AM 3-4-5-6, either electric or kick starting engines, without any modifications.

**EN** **Athena needle bearings** attach to the gudgeon pin at the small end of the piston and enable **less frequent maintenance**, at an excellent price-quality ratio. **Available silver-plated**, they can be used under conditions of **great rotational speed, high temperatures** and **sudden acceleration**.

**IT** Le **gabbie a rulli Athena** vengono impiegate sullo spinotto all'estremità minore del pistone e permettono l'**allungamento degli intervalli di manutenzione** ad un ottimo rapporto qualità-prezzo. Disponibili con **trattamento superficiale argentato**, possono essere utilizzate in condizioni che prevedono **elevato regime di rotazione**, **alte temperature** e **accelerazioni repentine**.

**FR** Les **cages à galets Athena** sont utilisées sur la broche à l'extrémité inférieure du piston et elles permettent d'**allonger les intervalles d'entretien** pour un rapport qualité-prix optimal. Disponibles avec un **traitement de surface argenté**, elles peuvent être utilisées dans des conditions qui prévoient des **régimes de rotation élevés**, **de hautes températures** et des **accélérations soudaines**.

**ES** Las **jaulas de rodamientos Athena** se emplean en la clavija del extremo menor del pistón y permiten **reducir la frecuencia de mantenimiento**, a una excelente relación calidad-precio. Disponibles con **tratamiento superficial plateado**, pueden utilizarse en condiciones que prevén un **régimen de rotación elevado**, **altas temperaturas** y **aceleraciones repentinas**.

**EN**

Athena extends its product range offering a brand new high quality spare part: the **engine valves for Off-Road motorbikes and ATV**. Athena's valves are the perfect replacement to the OEM ones as they are made from the same materials and maintain the same characteristics and tolerances. The production process and techniques and the high quality standards we follow, allow us to obtain **reliable and resistant** valves, perfect on extremely performing racing engines too. The installation **does not require to modify** the original timing drive components.

- **Titanium valves:** they're forged in a premium, heat resistant Ti 6-2-4-2 alloy and they are also treated to reach an optimum combination between hardness and toughness and ensure the **best reliability**. The Chromium Nitride coating guarantees the **durability and the resistance** of the valve itself and of all the engine parts connected to it, while the final Isotropic polishing reduces roughness and friction to the minimum.
- **Steel valves:** these valves are made of selected **stainless steel** specially developed to be used on internal combustion engines and ready to be coated with Chromiun Nitride, which allows to reduce fatigue failures caused by alternative forces. At extremely high temperature conditions as in the exhaust area, a Nickel alloy is used to ensure the heat resistance, even with gas temperatures up to 800°C. Finally, the chromium plating of the valve stems **improves its resistance and quality**, making them suitable for high quality applications.

**IT**

Athena estende la gamma dei propri prodotti e offre un nuovo ricambio: le **valvole motore per moto Off-Road e ATV.** Le valvole Athena sono i perfetti componenti di ricambio alle originali, perché prodotte con gli stessi materiali, le stesse specifiche e tolleranze. Le tecniche di produzione e i rigidi standard qualitativi applicati permettono di ottenere valvole **resistenti e affidabili**, perfette anche su motori elaborati ad alte prestazioni. L'installazione **non richiede alcuna modifica** ai componenti di distribuzione originali.

- **Valvole in titanio:** sono forgiate in lega di Titanio 6-2-4-2, caratterizzata da **elevata resistenza** alle temperature più estreme. Le valvole vengono inoltre trattate termicamente, per raggiungere la miglior combinazione tra durezza e tenacità ed assicurare la massima **affidabilità**. Il rivestimento superficiale al Nitruro di Cromo (CrN) garantisce una lunga **resistenza all'usura** ed un'**elevata durata** di tutte le parti del motore che sono in contatto; mentre la lucidatura finale isotropica ne minimizza la rugosità, riducendo così gli attriti fra le parti in movimento.
- **Valvole in acciaio:** sono realizzate con selezionati **acciai inossidabili** sviluppati specificatamente per la costruzione di valvole per motori endotermici ed adatti al trattamento con Nitruro Nero, il quale permette di diminuire i rischi di rottura a fatica causate dalle forze alterne. In condizioni di temperature molto elevate, come nella zona di scarico, viene impiegata una lega al nickel che riesce a resistere alle temperature di gas oltre gli 800°C. Inoltre la cromatura superficiale degli steli **migliora la qualità e la resistenza** di tutte queste valvole, impiegate per applicazioni di alta gamma.

**FR**

Athena étend la gamme de ses produits et propose un nouveau article de remplacement **pour moto de Off Road y ATV**. les Soupapes Athena sont les pièces parfaits de rechange à l'original, parce que fabriquées avec les mêmes matériaux, les mêmes spécifications et tolérances. Les techniques de production et les normes de qualité rigides appliquées permettent d'obtenir des soupapes **résistantes et fiables**, parfaites aussi pour moteurs préparés à hautes performances. L'installation **ne nécessite aucune modification** des composants de distribution d'origine

- **Soupapes en titane:** sont forgées en alliage de Titane 6-2-4-2, caractérisées par une **haute résistance** aux températures extrêmes. Les soupapes sont également traitées thermiquement, pour obtenir la meilleure combinaison entre dureté et ténacité et assurer une **fiabilité maximale.** Le revêtement superficielle en Nitrure de Chrome (CrN) garantit une longue résistance à l'usure et une élevé durabilité de toutes les parties du moteur qui sont en contact ; le polissage isotrope finale minimise la rugosité, en réduisant ainsi la friction entre les pièces en mouvement.
- **Soupapes en Acier:** elles sont fabriquées avec des **aciers inoxydables** sélectionnés, développées spécialement pour la construction de soupapes pour moteurs endothermiques et adaptes au traitement Nitruro Noir, qui permet de réduire le risque de rupture causé par les forces alternes. En condition des températures très élevées, comme dans la zone de drainage, un alliage de nickel qui peut supporter des températures de gaz supérieures à 800 ° C est utilisé. De plus, le chromage superficiel **améliore la qualité et la résistance** des soupapes, utilisées pour applications de haute gamme.

**ES**

Athena amplia la gama de sus productos y ofrece un nuevo repuesto: las **válvulas para motos de Off-Road y ATV.** Las válvulas Athena son los perfectos componentes de recambio al original, porque fabricadas con los mismos materiales, las mismas específicas y tolerancias.Las técnicas de producción y los rígidos estándar de calidad aplicados permiten obtener válvulas **resistentes y confiables**, perfectas también en motores de alto rendimiento. La instalación **no requiere ninguna modificación** de los componentes de distribución originales.

- **Válvulas en titanio**: están forjadas en aleación de titanio 6-2-4-2, caracterizadas por una **elevada resistencia** a temperaturas extremas. Las válvulas estan también tratadas térmicamente, para lograr la mejor combinación de dureza y tenacidad y garantizar la **máxima fiabilidad**. El recubrimiento superficial de Nitruro de Cromo (CrN) garantiza una larga resistencia al desgaste y una alta durabilidad de todas las partes del motor que están en contacto; mientras el pulido isotrópico final minimiza la rugosidad, reduciendo así la fricción entre las partes en movimiento.
- **Válvulas de acero**: Están fabricadas con **aceros seleccionados inoxidables** desarrollados especialmente para la construcción de válvulas para motores endotérmicos y adecuados al tratamiento con Nitruro Nero, lo que permite de reducir el riesgo de rotura por el estrés causado por las fuerzas alternas. En condiciones de temperaturas muy altas, como en la zona del drenaje, se utiliza una aleación de níquel que puede soportar temperaturas de gas superiores a los 800ºC. Además, el cromo superficial **mejora la calidad y la resistencia** de todas estas válvulas, utilizadas para aplicaciones de alta gama.

# CLUTCH DISCS KITS NEW

KIT FRIZIONE
KITS DISQUES D'EMBRAYAGE
KITS DISCOS DE EMBRAGUE

**EN**

The most recent introduction in Athena's product range are the clutch friction and steel plates for **2 stroke and 4 stroke Off-road** motorbikes. All the kits are designed following the characteristics of the original plates and they guarantee **high performances, reliability and durability**. The installation of the Athena's clutch plate kits it's easy and **doesn't require any modification** of the engine original parts.

- **Friction Plates:** all these kits **include the Athena's clutch cover gasket** needed for the maintenance. The compounds applied guarantee **high friction power**, greater **durability** and maximum **resistance** to stress and overheating thanks to the material's premium quality. The structure of the compound is specially designed to optimise the oil transfer and ensure the best efficiency and performances.
- Steel plates: the steel plates included in all Athena's kits perfectly follow the dimensions and thickness of the original components. High resistant to corrosion, they ensure maximum **durability** and **reliability** even in extreme conditions. Thanks to its great resistance to deformation and expansion caused at high temperature, they ensure the best traction and a perfect feeling to the rider.

**IT**

La più recente New Entry nella gamma prodotti Athena sono i dischi frizione guarniti e i dischi in acciaio, per moto **Off-Road 2 tempi e 4 tempi**. Tutti i kit in gamma sono sviluppati seguendo le specifiche dei dischi originali e assicurano **alte performance, affidabilità e longevità**. I kit dischi frizione Athena sono completi, per assicurare una semplice e rapida installazione. **Non è mai richiesta alcuna modifica** agli altri componenti originali della moto.

- **Kit Dischi Guarniti:** tutti questi kit **includono la guarnizione Athena del coperchio della frizione**, necessaria per assicurare una perfetta tenuta. Le mescole che vengono applicate sono realizzate con ottimi materiali, i quali garantiscono elevato **potere d'attrito**, maggiore **durata** e massima **resistenza** a sollecitazioni e surriscaldamenti. I materiali variano in funzione della specifica applicazione a cui ogni kit è destinato. La struttura del materiale d'attrito è studiata per ottimizzare il passaggio dell'olio e garantire efficienza e massime prestazioni.
- **Kit Dischi in Acciaio:** i dischi condotti presenti in tutti i kit Athena rispettano esattamente spessori e dimensioni dei componenti originali. Altamente resistenti alla corrosione, permettono massima **longevità** e **affidabilità** anche in condizioni di utilizzo estreme. La resistenza alla deformabilità e all'espansione in alte temperature permettono una **trazione ottimale** e assicurano al pilota il miglior feeling fin dalle fasi di partenza.

**FR**

La dernière nouveauté de la gamme Athena c'est les disques d'embrayage garnis et les disques en acier pour **les motos Off Road 2 temps et 4 temps**. Tous les kits en gamme sont développés en fonction des spécifications des disques d'origine et garantissent **hautes performances, fiabilité et longévité**. Les kits Disques d'Embrayage Athena sont complets, pour assurer un' installation rapide et simple. **Aucun changement d'autres composants d'origine de la moto n'est nécessaire**.

- **Kit Disques Garnis :** les **kits incluent le joint couvercle d'embrayage Athena**, qui est nécessaire pour assurer une étanchéité parfaite. Les mélanges qui sont appliqués sont réalisés avec des matériaux excellents, qui garantissent **une friction élevé**, une **durabilité** plus longue et une **résistance** maxi aux sollicitations et surchauffe. Les matériaux varient en fonction de l'application spécifique à laquelle chaque kit est destiné. La structure du matériel de friction est étudiée pour optimiser le passage de l'huile et assurer l'efficacité et la performance maximale.
- **Kit Disques en Acier :** Les disques Athena respectent exactement l'épaisseur et les dimensions des pièces d'origine. Très résistants à la corrosion, ils offrent une **durabilité** et une **fiabilité** maximales même dans des conditions extrêmes. La résistance à la déformabilité et à l'expansion à hautes températures permettent une **traction optimale** et assurent au pilote la meilleure sensation au départ.

**ES**

La última llegada en la gama Athena es la de los discos de embrague embutidos y discos en acero para **motos de Off-Road 2 tiempos y 4 tiempos**. Todos los kits en gama están desarrollados según las especificaciones de los discos originales y garantizan una **alta performance**, **fiabilidad** y **longevidad**. Los kits Discos de embrague Athena son completos, para asegurar una instalación rápida y fácil. **No se requiere ninguna modifica de los otros componentes originales de la moto.**

- **Kit discos rayados:** estos **kits incluyen la junta cubierta embrague de Athena**, necesaria para asegurar una estanqueidad perfecta. Las mezclas que vienen aplicadas están fabricadas con materiales excelentes, lo cuales garantizan una **alta fricción**, una mayor **durabilidad** y máxima **resistencia** a la sobretensión y al sobrecalentamiento. Los materiales varían en función de la específica aplicación a la cual cada kit está destinado.La estructura del material de fricción ha sido estudiada para optimizar el pasaje del aceite y garantizar la eficiencia y el máximo rendimiento.
- **Kit discos en acero:** Los discos presentes en todos los kits Athena respetan exactamente espesores y tamaños de los componentes originales. Altamente resistentes a la corrosión, permiten máxima **durabilidad** y **fiabilidad** también en condiciones de utilizo extremo. La resistencia a la deformación y a la expansión a altas temperaturas permite una **tracción óptima** y garantizan a el piloto la mejor sensación desde la salida

# GENERAL CONDITION OF SALE

**Article 1 - CONTRACT PROVISIONS**

**1.1.** The present general conditions, exception made for any written derogation/waiver, shall regulate all present and future contracts of sale between the parties. Any general conditions of the purchaser shall not apply to any relationship between the parties if not expressly accepted in writing. Nevertheless, in this case, exception made for any written derogation/waiver, the general conditions of the purchaser shall not prejudice the efficacy of the present general conditions and shall have to be coordinated therewith.

**1.2.** The reference that may be made to commercial terms (Ex Works, FOB, CIF, etc.) is understood to be made according to the Incoterms of the International Chamber of Commerce in the text in force at the moment of entering the contract.

**1.3.** All contract of sales between the parties as well as the present general conditions, shall be governed by the Italian law and in particular by the Uniform Law on international sale of goods, ratified by the Law of 21.6.1971, as well as the Uniform Law on the formation of contracts for the international sale of goods ratified on the same day. Any derogation or reference made by the parties to specific articles of the Italian law do not imply an exclusion of the enforcement of the Uniform Laws hereinabove, to the extent of their accordance with the contractual discipline.

**1.4.** The adhesion to the present general conditions, as well as all subsequent contracts and behaviour of the parties regulated hereby, if not otherwise agreed upon in writing, do not imply the granting to the purchaser of any exclusive right, the existence of any distributorship relation, commission or mandate, with or without agency, nor the granting to the purchaser of the right to use, in any form, the trade-marks or distinctive signs of the purchaser.

**Article 2 - EXECUTION AND OBJECT OF THE CONTRACT**

**2.1.** No offer made by agents, representatives and commercial intermediaries of Athena S.p.A. shall be binding if not confirmed by Athena itself.

**2.2.** During negotiations, the mere sending of the present general conditions shall not imply the acceptance of any offer; nevertheless the general conditions substitute and cancel any general conditions previously proposed by one of the parties.

**2.3.** The sending by Athena of a price-list or descriptive material of the product not expressly bearing the diction "offer" or an equivalent one, shall not be considered as a proposal. The diction "not binding", "if available" or similar ones inserted by Athena in an offer shall not bind the seller to the terms of the offer even in case of acceptance of said offer by the purchaser, exception made for subsequent written confirmation or conformable execution by Athena. Athena's offer shall be considered firm or irrevocable only if qualified as such in writing by Athena and if containing a validity term of the clause.

**2.4.** The acceptance of the contract by the purchaser, however effected, shall involve its adhesion to the present general conditions. In case Athena issues an order confirmation, even after entering the contract, it shall be presumed that the terms of the contract correspond to the terms of the order confirmation, except if the purchaser immediately communicates in writing the differences thereof.

**2.5.** The acceptance, with no expressed reserves by the purchaser of non conformable products for type or quantity shipped different from the terms contained in the purchaser's request, shall imply acceptance by the latter of both the supply and the conditions proposed by Athena. The reserves hereinabove (even if formulated as specifications or modifications of the delivery conditions) shall have no force if not given in writing by the purchaser, immediately after receiving the merchandise.

**2.6.** All recordings and registrations requested by the state of each party or in the country of destination of the goods, in order to give full efficacy to the contracts governed by the general conditions hereinabove or to one of their clauses, shall have to be carried out by the purchaser at its own care and charge.

**2.7.** By consenting to these general conditions of sale, the purchaser undertakes not to sell products covered by the contract to trade operators working via e -marketplaces.

**Article 3 - SAMPLES, TECHNICAL DRAWINGS AND DOCUMENTS**

**3.1.** It is agreed that weights, dimensions, capacities, prices, performances, colors and other data contained in catalogs, prospects, circulars, advertisements, illustrations, price-lists or other illustrative Athena's documents, as well as the characteristics of samples and models sent by Athena to the purchaser, shall all constitute an approximate guide only. These data shall have binding value only if expressly mentioned as binding in the offer or in the written confirmation from Athena.

**3.2.** Unless otherwise agreed upon in writing, in case the offer or the acceptance of the purchaser refers to a sample offered by Athena, the latter shall be deemed committed to the characteristics of the sample only within the limits indicated in art. 3.1.

**3.3.** In case Athena bases its supply to a sample given by the purchaser, it shall be deemed responsible – unless otherwise agreed upon in writing – for the compliance of its services (within the limits set forth in art. 3.1.) only with the apparent characteristics of the sample.

**3.4.** Any technical drawing or document enabling the processing or assembling of the products sold or of parts of them given to the purchaser, whether before or after entering the contract, shall remain exclusive property of Athena. The drawing or documents hereinabove shall not be used by the purchaser nor copied, reproduced or transmitted to third parties without the Athena's consent.

**Article 4 - WARRANTY**

**4.1.** Save as in this general conditions expressed and unless otherwise agreed upon in writing from time to time, Athena shall guarantee the conformity of the supplied products to what expressly agreed. The warranty for defects shall be limited to the defects of products deriving from defects in planning, material or manufacturing attributable to Athena and shall not be valid in absence of the purchaser's proof of its correct use, maintenance and conservation and of no modification or repair to the products without Athena's consent.

**4.2.** The warranty shall have a limited duration of 12 months, beginning from the date of delivery and shall be subject to the regular claim made by the purchaser according to the following article, as well as the written request to the seller to carry out a warranty intervention. In order to comply with the request hereinabove, the Athena shall be committed (at its own option), within a reasonable period of the time according to the extent of the claim, alternatively:

a) to supply the purchaser with products of the same kind and quantity of those proved defective or not in compliance with the agreement, free of charge and freight. In this case, Athena shall have the right to demand, at the expenses of the purchaser, the return of the defective goods, which become its own property;

b) to repair, at its own expenses, the defective product or modify the product not in compliance with the agreement, carrying out said operation where the products are located or in its own factory. In these cases, all costs relating to the transportation of the products shall be at the purchaser's charge;

c) to pay compensation for damages to the purchaser by crediting the purchaser an amount equal to the cost of repairing or modifying the products in its own factory;

d) to declare in writing the termination of the contract, offering to refund the price paid against the return of the supplied products. Except for fraud or gross negligence of Athena, any compensation for damages to the purchaser shall not exceed the invoiced price of the claimed products.

**4.3.** All "Racing" products designed for competition are sold

without any express or implied warranty and Athena declines any responsibility.
**4.4.** The warranty hereinabove shall absorb and substitute the legal warranty for defects and lack of compliance and exclude any other seller's responsibility, however originated by the supplied products; in particular, the purchaser shall have no right to put forth any other claim for damages, reduction of the price or resolution of the contract. Upon the expiry of the warranty, no request can be made to Athena.

**Article 5 - CLAIMS**
**5.1.** The provisions of the Law of 21.6.1971, mentioned in art. 1 still remaining in force:
a) all claims regarding quantity, weight, color, or quality defects or lack of compliance that the purchaser could notice at the moment of receiving the goods, shall have to be carried out by the purchaser within a short time from the moment the goods reached their destination, however, under penalty of forfeiture, not beyond 15 days from said moment;
b) all hidden defects and non-conformities (more precisely all non-visible defects on the basis of the verification demanded to the seller by law and by the paragraph hereinabove) shall have to be denounced within a short time from their discovery and, however, under penalty of forfeiture, not beyond 12 months from the date of delivery.
**5.2.** All claims shall be sent via registered letter addressed to Athena and shall indicate in detail all defects or non conformities. Furthermore, they shall contain a cost estimation for repair or modification of the products on the spot, whenever possible. In absence of the requisites hereinabove, no claim shall be effective.
**5.3.** Should the claim be found groundless, the purchaser shall have to refund Athena with all the expenses made for the investigation (trips, appraisals, etc.). The same applies in the event that the claim result only partially grounded, up to a percentage not higher than 30% of the claim originally made.
**5.4.** Items returned for mistaken orders are subject to a 15% re-stocking fee to be deducted from the credit note, with a minimum charge of 20 Euro.

**Article 6 - TECHNICAL SPECIFICATIONS AND MANUFACTURER'S RESPONSIBILITY**
**6.1.** Being stated that, as far as the characteristics of the products are concerned, Athena shall follow the laws and technical rules in force in Italy and the purchaser shall assume the whole risk of any difference between the Italian provisions and the provisions of the country of destination of the products, holding Athena harmless.
**6.2.** Athena shall be responsible for damages to both persons and property caused by the products sold only in case of gross negligence in manufacturing the products hereinabove is proved; in no case shall Athena be deemed responsible for indirect or consequential damages, loss of production or lack of profit.
**6.3.** Exception made for the provisions hereinabove, the purchaser shall hold Athena harmless in case of third parties' actions based on responsibilities originated by the products sold to the purchaser and shall pay compensation for the damages resulting from such actions. Athena shall have the right to involve the purchaser who, for its part, shall take all necessary steps to intervene, in any legal action brought by third parties in connection with the products supplied.

**Article 7 - DELIVERY**
**7.1.** If not otherwise agreed upon in writing, any sale shall be deemed to be Ex Works, even if expressly agreed upon that the shipment (or part of it) shall effected by Athena; in this case, the latter shall act as agent of the purchaser, being agreed that the transportation shall be done at the risk and charge of the purchaser.
**7.2.** In case of delayed delivery, the purchaser shall have the right to cancel the undelivered part of the order only after giving notice thereof to Athena by means of a registered letter with return receipt and after having granted Athena a period of 15 working days beginning from the receipt of such notice, within which Athena shall have the possibility of delivering all the products specified in the request and not yet delivered. However, any responsibility for damages caused by delay or lack of delivery, both total or partial, shall be excluded.
**7.3.** If not otherwise agreed upon, the Ex Works delivery of the products shall take place by means of a written notice thereof (even by telex) to the purchaser that the products are at its disposal; the purchaser shall have a period of time of 3 days from the sending of such notice to take delivery of the products.
**7.4.** Should the purchaser not take delivery of the merchandise within the terms set forth in the paragraph hereinabove, the purchaser shall have to reimburse all storage charges to Athena fixed in a lump sum equal to 10% of the amount of the invoice concerning said products for each week of delay. Furthermore, upon the expiry of a 30 days term, Athena shall have the right to sell the products on behalf of the purchaser, at any price, deducting from the return the whole amount due (regardless to the payment terms agreed upon), as well as any expenses borne thereof.

**Article 8 - PAYMENT**
**8.1.** Unless otherwise agreed upon in writing, payments shall be made at time of delivery or following the terms and conditions set forth from time to time in the offer. In case of payment by letter of credit, it shall have to be opened within a short time from the entering of the contract in the easiest form and in accordance with the provisions of the contract and shall have to be irrevocable and confirmed by a leading Italian bank. Any payment made to agents, representatives or commercial intermediaries of Athena shall not be deemed to have been carried out until the relevant sums are collected by Athena.
**8.2.** Any delay or irregularity in the payment shall grant Athena the right to suspend deliveries or to terminate the outstanding contracts even if not relevant to the payments at issue, as well as the right to claim damages. However, the seller shall have the right, beginning from due date of the payment, with no need for any intimation to pay, to obtain interests for delayed payment corresponding to the discount rate of the country of the seller increased by 7 points.
**8.3.** The purchaser shall be bound to fulfill its obligations of entire payment even in case of claims or controversy. In case of disputed amounts, the purchaser may, at its option, deposit the sums object of the controversy in an Italian bank until the controversy has been settled, binding the bank to transfer said sums to Athena should the controversy be settled in its favor. No compensation with any credit however arisen towards Athena shall be accepted.

**Article 9 - RESERVATION OF TITLE**
**9.1.** Should the payment be made – in whole or in part – after delivery, the delivered products remain property of the seller until the payment obligations have been entirely fulfilled, within the limits of the law of the country where said products are located.
**9.2.** The purchaser shall have the obligation to take all necessary steps to constitute, in the country where the products are located, a valid property reservation in the most extensive form permitted or to create a similar form of guarantee in favor of Athena.

**Article 10 - FORCE MAJEURE**
**10.1.** Should fires, collapses, floods, lack of supplies, transportation difficulties, strikes, lockouts or any events beyond control of the respective parties hinder or sensibly reduce the production in the factories of one of the parties, or prevent the transportation between the factories and the place of destination of the products, the injured party shall have the right to obtain a prorogation of the delivery or collection terms of the products of 45 days, provided that

timely notice of such event of force majeure is given to the other party. The prorogation term may be extended in the most critical cases to 90 days.
**10.2.** Upon the expiry of the terms hereinabove in the continuation of the event of force majeure, the other party shall have the right to terminate the contract by giving written notice thereof to the defaulting party by registered letter with return receipt. The defaulting party shall in this case have no obligation to pay damages.
**10.3.** Should the fulfillment of Athena's commitments, owing to any reason unforeseeable by an entrepreneur of the field with normal experience, have become – before their fulfillment – excessively onerous compared with the contractual obligation originally agreed upon, such as to modify the ratio by over 20 per cent, Athena shall have the right to request a revision of the contractual conditions or, failing such revision, to terminate the contract. In case of termination, all expenses borne by the purchaser for terminating the contract, shall have to be reimbursed to the purchaser.

**Article 11 - ASSIGNMENT OF THE CONTRACT**

The purchaser remains, however, jointly and severally responsible with the assignee for the assigned obligations.

**Article 12 - INTERPRETATION, MODIFICATION, INVALID CLAUSES**
**12.1.** The Italian text of the present general conditions shall be the only authentic text for the interpretation thereof.
**12.2.** Any exhibit or preamble shall be considered part of the contracts they refer to. Any reference made to price-list, general conditions or other material either by Athena or by third parties, shall be deemed made to the documents in force at the moment of said reference, unless otherwise specified. All correspondent texts previously in force between the parties shall have to be considered cancelled.
**12.3.** The statements made or the behavior held by the parties during the execution of the contract may contribute to the interpretation only of the contract they refer to and only where not in contrast with the present general conditions or with the written agreements made by the parties at the time of entering the contract at issue.
**12.4.** Excepting the provisions set forth in articles 2.4. and 2.5., any modification or integration made by the parties to the contracts in connection with the present general conditions, shall be void unless set forth in writing. Any derogations to one or more dispositions of the present general conditions shall not be interpreted extensively or for analogy and shall not imply the will to disregard all present general conditions.
**12.5.** Unless otherwise agreed upon in writing, no variation to the contractual conditions between the parties shall constitute modification of the contract.
**12.6.** In case of invalidity or ineffective contractual provisions, the whole contract shall have to be integrated and interpreted as containing all the clauses that allow reaching, in compliance with the law, the essential aim pursued by the agreement containing the provisions hereinabove.

**Article 13 - COMPETENT JURISDICTION**

# CONDIZIONI GENERALI DI VENDITA

**Art. 1 - NORMATIVA CONTRATTUALE**

**1.1.** Le presenti condizioni generali, salvo eventuali deroghe specificatamente concordate per iscritto, disciplinano tutti gli attuali e futuri contratti di vendita fra le parti. Eventuali condizioni generali dell'acquirente non troveranno applicazione ai rapporti futuri fra le parti se non espressamente accettate per iscritto; in tal caso però, salvo deroga scritta, non escluderanno l'efficacia delle presenti condizioni generali, con cui dovranno venir coordinate.

**1.2.** Il riferimento ad eventuali termini commerciali (Franco Fabbrica, FOB, CIF, ecc.) si intenderà fatto agli Incoterms della Camera di Commercio Internazionale, nel testo in vigore al momento della conclusione del contratto.

**1.3.** Tutti i contratti di vendita fra le parti, nonché le presenti condizioni generali, saranno disciplinati dalla legge italiana, ed in particolare dalla legge uniforme sulla vendita internazionale di cose mobili materiali, ratificata con legge 21 giugno 1971, nonché dalla legge uniforme sulla formazione dei contratti di vendita internazionale di cose mobili materiali, ratificata in pari data; le eventuali deroghe o richiami delle parti a specifici articoli della legge italiana non implicano un'esclusione dell'applicazione delle succitate leggi uniformi per quanto compatibili con la disciplina contrattuale.

**1.4.** L'adesione alle presenti condizioni generali, nonché tutti i contratti ed i comportamenti successivi delle parti dalle stesse regolati, salvo diversa espressa pattuizione scritta non implicano il conferimento all'acquirente di esclusiva alcuna né l'instaurazione di rapporti di concessione, commissione o mandato, con o senza rappresentanza, come non conferiscono all'acquirente stesso il diritto ad utilizzare in qualunque forma i marchi od i segni distintivi del venditore.

**Art. 2 - FORMAZIONE ED OGGETTO DEL CONTRATTO**

**2.1.** Le offerte fatte da agenti, rappresentanti ed ausiliari di commercio di Athena S.p.A. non sono per essa impegnative fino a quando non siano confermate da Athena stessa.

**2.2.** L'invio delle presenti condizioni generali non implica di per sé accettazione di eventuali offerte, nell'ambito di trattative in corso; esse tuttavia sostituiscono ed annullano quelle in precedenza proposte da una delle parti.

**2.3.** L'invio da parte di Athena di listini prezzi o di materiale descrittivo dei prodotti non recante espressamente la dizione "offerta" od altra equivalente, non può venir considerato proposta. Le dizioni "senza impegno", "salvo disponibilità" od altre analoghe apposte da Athena ad un'offerta non vincolano la stessa ai termini dell'offerta anche in caso di accettazione dell'offerta stessa ad opera del compratore, salvo successiva conferma scritta od esecuzione conforme da parte di Athena. L'offerta si considera ferma od è irrevocabile soltanto se viene dallo stesso qualificata tale per iscritto ed è in essa specificato un termine di validità della clausola.

**2.4.** L'accettazione di un contratto da parte del compratore, comunque effettuata, comporta la sua adesione alle presenti condizioni generali. Nel caso in cui Athena abbia emesso, anche successivamente alla conclusione del contratto, una conferma d'ordine, si presume che i termini del contratto corrispondano a quelli della conferma d'ordine, salvo che il compratore non ne rilevi immediatamente per iscritto le differenze.

**2.5.** L'accettazione senza espressa riserva da parte del compratore di prodotti non conformi per tipo o quantità inviati a condizioni diverse da quelle contenute nella richiesta del compratore implica accettazione, da parte di quest'ultimo, della fornitura e delle condizioni proposte da Athena. Le suddette riserve (anche se formulate sotto forma di precisazioni o rettifiche delle condizioni di fornitura) non avranno efficacia se non saranno formulate dal compratore per iscritto, immediatamente dopo il ricevimento della merce.

**2.6.** Tutte le registrazioni o trascrizioni richieste dagli Stati dei contraenti o nel Paese di destinazione dei beni per dare piena efficacia ai contratti disciplinati dalle presenti condizioni generali, o ad una loro clausola, dovranno essere effettuate dall'acquirente a proprie cure e spese.

**2.7.** Con l'adesione alle presenti condizioni generali di vendita, il compratore si impegna a non rivendere i prodotti contrattuali ad operatori professionali operanti mediante piattaforme on line (cd. e- marketplace).

**Art. 3 - CAMPIONI, DISEGNI E DOCUMENTI TECNICI**

**3.1.** I pesi, le dimensioni, le capacità, i prezzi, i rendimenti, i colori e gli altri dati figuranti nei cataloghi, prospetti, circolari, annunzi pubblicitari, illustrazioni, listini prezzi, od altri documenti illustrativi di Athena, così come le caratteristiche dei campioni e modelli da quest'ultima inviati al compratore, hanno carattere di indicazioni approssimative. Questi dati non hanno valore impegnativo se non nella misura in cui siano stati espressamente menzionati come tali nell'offerta o nell'accettazione scritta di Athena.

**3.2.** Nel caso in cui l'offerta o l'accettazione del compratore facciano riferimento ad un campione offerto da Athena, si intende che questo, salvo diversa espressa pattuizione scritta, nella sua fornitura è vincolato alle caratteristiche del campione nei soli limiti indicati al punto 3.1.

**3.3.** Nel caso in cui Athena riferisca la sua fornitura ad un campione fornito dal compratore, Athena stessa sarà responsabile – salva diversa pattuizione scritta – della conformità della sua prestazione (nei limiti di cui sopra al punto 3.1.) alle sole caratteristiche apparenti del campione.

**3.4.** Qualsiasi disegno o documento tecnico che permetta la fabbricazione o il montaggio dei prodotti venduti o di loro parti e sia rimesso al compratore, tanto prima che dopo la stipulazione del contratto, rimane di esclusiva proprietà di Athena. I suddetti disegni o documenti non possono essere utilizzati dal compratore o copiati, riprodotti, trasmessi o comunicati a terzi senza il consenso scritto da parte di Athena.

**Art. 4 - GARANZIA**

**4.1.** Fuori dall'ambito di applicazione degli articoli precedenti, e fatto salvo quanto pattuito per iscritto di volta in volta fra le parti, Athena garantisce la conformità dei prodotti forniti a quanto espressamente concordato. La garanzia per vizi è limitata ai soli difetti dei prodotti conseguenti a difetti di progettazione, di materiale o di costruzione riconducibili ad Athena, e non si applica nel caso in cui il compratore non provi di aver effettuato un corretto uso, manutenzione e conservazione dei prodotti e di non averli modificati o riparati senza il consenso da parte di Athena.

**4.2.** La garanzia ha una durata limitata a 12 mesi, decorrenti dalla data della consegna, ed è subordinata alla regolare denunzia effettuata dal compratore ai sensi dell'articolo seguente, nonché all'espressa richiesta scritta ad Athena di effettuare un intervento in garanzia. In forza della suddetta richiesta Athena è tenuta (a sua scelta), entro un termine ragionevole avuto riguardo all'entità della contestazione, alternativamente:

a) a fornire gratuitamente Franco Fabbrica al compratore prodotti dello stesso genere e quantità di quelli risultati difettosi o non conformi a quanto pattuito; Athena può in tal caso esigere, a spese del compratore, la resa dei prodotti difettosi, che diventano di sua proprietà;

b) a riparare a proprie spese il prodotto difettoso o modificare quello non conforme al pattuito, effettuando le suddette operazioni in loco o presso i propri stabilimenti; in tali casi tutti i costi relativi al trasporto dei prodotti dovranno essere sopportati dal compratore;

c) a risarcire al compratore i danni, accreditandogli una somma pari al costo della riparazione o modificazione del prodotto presso i propri stabilimenti;

d) a dichiarare per iscritto la risoluzione del contratto, offrendo la restituzione del prezzo contro restituzione dei prodotti forniti. Salvo dolo o colpa grave da parte di Athena l'eventuale risarcimento

danno al compratore non potrà comunque superare il prezzo di fattura dei prodotti contestati.
4.3. Tutti i prodotti "Racing" destinati ad un uso agonistico-sportivo sono privi di ogni garanzia espressa od implicita ed Athena declina ogni responsabilità.
4.4. La garanzia di cui al presente articolo è assorbente e sostitutiva delle garanzie legali per vizi e conformità ed esclude ogni altra possibile responsabilità di Athena comunque originata dai prodotti forniti; in particolare il compratore non potrà avanzare altre richieste di risarcimento del danno, di riduzione del prezzo o di risoluzione del contratto. Decorsa la durata della garanzia nessuna pretesa potrà esser fatta valere nei confronti di Athena.

**Art. 5 - RECLAMI E RESI**
5.1. Ferme restando, in quanto applicabili, le disposizioni della legge 21 giugno 1971, di cui all'art. 1:
a) i reclami relativi a quantità, peso, tara totale, colore, oppure a vizi e difetti di qualità o non conformità che il compratore potrebbe rilevare non appena in possesso della merce, debbono essere effettuati dal compratore entro un breve termine dal momento in cui i prodotti sono pervenuti sul luogo di destinazione e comunque, a pena di decadenza, non oltre 15 giorni dal suddetto momento;
b) i vizi, difetti o non conformità occulti (cioè quelli non individuabili in base alla verifica imposta dalla legge e dal punto precedente al compratore) debbono essere denunciati entro un breve termine dalla scoperta e comunque, a pena di decadenza, non oltre 12 mesi dalla data della consegna.
5.2. I reclami devono essere effettuati mediante lettera raccomandata indirizzata ad Athena e devono indicare dettagliatamente i vizi o le non conformità contestate. Essi devono altresì contenere un preventivo dei costi di riparazione o modificazione dei prodotti in loco, ove possibile. In mancanza dei suddetti requisiti, ai reclami non potrà ricollegarsi efficacia alcuna.
5.3. Qualora il reclamo risulti infondato, il compratore sarà tenuto a risarcire ad Athena tutte le spese da questa sostenute per l'accertamento (viaggi, perizie, ecc.); uguale obbligo avrà il compratore se il reclamo risulti solo parzialmente fondato, per una percentuale non superiore al 30 per cento rispetto alle contestazioni originariamente effettuate.
5.4. Per resi merce dovuti a Vs. ordinazioni errate verrà applicata sulla nota di accredito una trattenuta del 15% sul valore della merce resa con un minimo di Euro 20.

**Art. 6 - NORME TECNICHE E RESPONSABILITÀ DEL PRODUTTORE**
6.1. Premesso che per ciò che concerne le caratteristiche dei prodotti Athena si attiene alla legislazione e alle norme tecniche in vigore in Italia, il compratore si assume per intero il rischio di un'eventuale difformità tra le norme italiane e quelle del Paese di destinazione dei prodotti, tenendone Athena indenne.
6.2. Athena è responsabile per danni a persone o cose, originati dai prodotti venduti, solo in caso di sua provata grave negligenza nella fabbricazione dei prodotti stessi; in nessun caso potrà essere ritenuto responsabile per danni indiretti o consequenziali, perdite di produzione o mancati profitti.
6.3. Fatto salvo quanto sopra previsto, il compratore manleverà Athena in tutte le azioni di terzi fondate su responsabilità originate dai prodotti vendutigli e risarcirà i danni derivanti dalle pretese in questione; Athena potrà coinvolgere il compratore – che dal canto suo dovrà prendere tutte le iniziative necessarie per intervenire – nel relativo giudizio intentato dai terzi.

**Art.7 - CONSEGNA**
7.1. Salvo diversa pattuizione scritta, la vendita si intende effettuata Franco Fabbrica: ciò anche ove sia pattuito che la spedizione (o parte di essa) venga curata da Athena, nel qual caso quest'ultimo agirà come mandatario del compratore, essendo inteso che il trasporto verrà effettuato a spese e rischio di quest'ultimo.
7.2. In caso di ritardata consegna, l'acquirente potrà annullare la parte dell'ordine non consegnata solo dopo aver comunicato ad Athena, mediante raccomandata con ricevuta di ritorno, tale sua intenzione e dopo avergli accordato 15 giorni feriali a partire dal ricevimento di tale comunicazione, entro i quali Athena potrà consegnare tutti i prodotti specificati nel sollecito e non già consegnati. E' comunque esclusa qualsiasi responsabilità per danni derivanti da ritardo o mancata consegna, totale o parziale.
7.3. Se non diversamente pattuito, la consegna Franco Fabbrica dei prodotti avviene mediante invio di comunicazione scritta (anche via telex) al compratore che i prodotti sono a sua disposizione; il compratore avrà ..... giorni di tempo dall'invio di tale comunicazione per provvedere al ritiro.
7.4. Ove il compratore non provveda al ritiro dei prodotti nei termini previsti dal paragrafo precedente, dovrà rimborsare ad Athena le spese di magazzinaggio, forfetariamente fissate in misura pari al 10% dell'importo della fattura relativa ai prodotti stessi per ogni settimana di ritardo; decorsi 30 giorni Athena potrà inoltre vendere con qualsiasi mezzo i prodotti per conto del compratore, trattenendo dal ricavato l'intero prezzo dovuto (quali che siano i termini di pagamento pattuiti) nonché le spese sostenute.

**Art. 8 - PAGAMENTO**
8.1. Il pagamento dovrà essere effettuato, salvo diverso accordo scritto, contestualmente alla consegna o nei modi e nei termini indicati di volta in volta in offerta. In caso di pagamento mediante lettera di credito, questa dovrà essere aperta entro breve termine dalla conclusione del contratto nella forma più semplice e conforme alle previsioni del contratto, dovrà essere irrevocabile e confermata da primaria banca italiana. Eventuali pagamenti fatti ad agenti, rappresentanti o ausiliari di commercio di Athena non si intendono effettuati finché le relative somme non pervengano alla stessa.
8.2. Qualsiasi ritardo o irregolarità nel pagamento dà ad Athena il diritto di sospendere le forniture o di risolvere i contratti in corso, anche se non relativi ai pagamenti in questione, nonché il diritto al risarcimento degli eventuali danni. Athena ha comunque diritto – a decorrere dalla scadenza del pagamento, senza necessità di messa in mora – agli interessi moratori nella misura del tasso di sconto in vigore nel proprio Paese, aumentato di 7 punti.
8.3. Il compratore è tenuto al pagamento integrale anche in caso di contestazione o controversia. Tuttavia, per quanto riguarda eventuali somme controverse, ha la facoltà di depositarle presso una Banca Italiana fino a quando la controversia non sia stata risolta, vincolando la banca a trasmettere tali somme ad Athena in caso di risoluzione della controversia in senso favorevole a quest'ultima. Non è ammessa compensazione con eventuali crediti, comunque insorti, nei confronti di Athena.

**Art. 9 - RISERVA DI PROPRIETÀ**
9.1. Nel caso in cui il pagamento debba essere effettuato – in tutto od in parte – dopo la consegna, i prodotti consegnati restano di proprietà di Athena sino al momento del completo pagamento del prezzo nella misura permessa dalla legge del Paese dove i prodotti si trovano.
9.2. Il compratore si impegna a fare quanto necessario per costituire nel suddetto Paese una valida riserva di proprietà nella forma più estesa consentita, o per porre in essere un'analoga forma di garanzia a favore di Athena.

**Art.10 - FORZA MAGGIORE ED ECCESSIVA ONEROSITÀ**
10.1. Quando si verifichino incendi, crolli, inondazioni, mancanza di rifornimenti, perturbazioni nei trasporti, scioperi, serrate o altri eventi dovuti a casi di forza maggiore, che impediscano o riducano sensibilmente la produzione negli stabilimenti di Athena o blocchino i trasporti fra lo stabilimento di Athena ed il luogo di destinazione dei prodotti, il contraente colpito ha diritto ad una proroga fino a 45 giorni (estensibili a 90 nei casi più gravi) dei termini di consegna

o ritiro dei prodotti, purché avvisi tempestivamente per iscritto la controparte del verificarsi del caso di forza maggiore.
**10.2.** Trascorsi i termini di cui sopra e permanendo la situazione di forza maggiore, l'altra parte potrà risolvere il contratto, facendone pervenire comunicazione scritta con lettera raccomandata con ricevuta di ritorno alla parte inadempiente. Quest'ultima non avrà in tal caso alcun obbligo al risarcimento dei danni.
**10.3.** Se, per qualsiasi altro motivo imprevedibile ad un imprenditore del settore con normale esperienza, l'esecuzione degli obblighi di Athena sia divenuta – prima della della loro esecuzione – eccessivamente onerosa in rapporto alla controprestazione originariamente pattuita, così da modificare il rapporto stesso per più del 20 per cento, Athena può chiedere una revisione delle condizioni contrattuali e, in mancanza, dichiarare risolto il contratto. In quest'ultimo caso però devono essere risarcite al compratore le spese dal medesimo sostenute in occasione del contratto risolto.

**Art. 11 - CESSIONE DEL CONTRATTO**
**11.1.** Il compratore non può cedere la sua posizione nel contratto od in singoli rapporti obbligatori da questo derivanti senza l'accettazione scritta del venditore: anche in tal caso il compratore rimane comunque solidalmente responsabile col cessionario per le obbligazioni cedute.

**Art. 12 - INTERPRETAZIONE, MODIFICHE, CLAUSOLE INVALIDE**
**12.1.** Per l'interpretazione delle presenti condizioni generali fa fede unicamente il testo italiano delle stesse.
**12.2.** Eventuali allegati o premesse si intendono parte integrante dei contratti cui si riferiscono. Ogni richiamo ai listini prezzi, condizioni generali od altro materiale di Athena o di terzi si intende riferito ai documenti in vigore al momento del richiamo stesso, salvo non sia diversamente specificato; devono ritenersi annullati i testi corrispondenti in precedenza in vigore fra le parti.
**12.3.** Le dichiarazioni effettuate od il comportamento tenuto dalle parti durante le trattative o nel corso dell'esecuzione del contratto possono contribuire all'interpretazione del solo contratto cui si riferiscono, e nei limiti in cui non contrastino con le presenti condizioni generali o con gli accordi scritti presi dalle parti in occasione della conclusione del contratto in questione.
**12.4.** Salvo quanto sopra previsto agli artt. 2.4. e 2.5., ogni modifica od integrazione fatta dalle parti ai contratti cui si applicano le presenti condizioni generali dovrà essere effettuata per iscritto, a pena di nullità. La deroga ad una o più disposizioni delle presenti condizioni generali non deve interpretarsi estensivamente o per analogia e non implica la volontà di disapplicare le condizioni generali nel loro insieme.
**12.5.** Eventuali variazioni delle condizioni contrattuali concordate tra le parti non costituiscono novazione del contratto, salvo espressa volontà contraria, risultante per iscritto.
**12.6.** In caso di disposizioni contrattuali invalide od inefficaci, il contratto nella sua globalità va integrato ed interpretato come se contenesse tutte le clausole che, consentono di raggiungere, in modo conforme alla legge, lo scopo essenziale perseguito dall'accordo contenente le clausole in questione.

**Art. 13 - FORO COMPETENTE**
**13.1.** Per ogni controversia relativa o comunque collegata ai contratti cui si applicano le presenti condizioni generali è esclusivamente competente il foro di Vicenza; Athena avrà tuttavia facoltà di agire presso il foro dell'acquirente.

# CONDITIONS GÉNÉRALES DE VENTE

**Article 1 - RÈGLEMENT CONTRACTUEL**
**1.1.** Les présentes conditions générales, sauf éventuelles dérogations fixées par écrit, règlementent tous les contrats actuels et futurs de la vente entre les parties. Les conditions générales éventuelles de l'acheteur ne s'appliqueront pas aux relations futures entre les parties sauf acceptation expresse par écrit; dans ce cas, toutefois, sauf dérogation accordée par écrit, elles n'excluront pas l'efficacité des présentes conditions générales, avec lesquelles elles devront être coordonnées.
**1.2.** La référence à d'éventuelles conditions commerciales (EXW, FOB, CIF, etc.) est relative aux Incoterms de la Chambre de Commerce Internationale, en vigueur à la conclusion du contrat.
**1.3.** Tous les contrats de vente entre les parties, ainsi que les présentes conditions générales, seront régis par la loi italienne, et en particulier par la loi uniforme sur la vente internationale de marchandises, ratifiée par la loi du 21 juin 1971, et par la loi uniforme sur la formation des contrats de vente mobilière corporelle internationale, ratifiée à la même date ; les dérogations ou rappels éventuels des parties aux articles spécifiques de la loi italienne n'impliquent pas une exclusion de l'application des lois uniformes susmentionnées du moment qu'ils soient compatibles avec le règlement contractuel.
**1.4.** Le respect de ces conditions générales, ainsi que tous les contrats et comportements ultérieurs des parties régies par celles-ci, sauf convention contraire expresse par écrit n'impliquent pas la concession à l'acquéreur d'aucuns droits exclusifs ni l'instauration de rapports de concession, commission ou mandat, avec ou sans représentation, comme ils ne confèrent pas à l'acheteur le droit d'utiliser les marques ou signes distinctifs du vendeur, sous toutes leurs formes.

**Article 2 - FORMATION ET OBJET DU CONTRAT**
**2.1.** Les offres faites par les agents, représentants et auxiliaires de commerce d'Athena S.p.A. n'engagent en aucune sorte jusqu'à ce qu'elles soient confirmées par Athena même.
**2.2.** L'envoi des présentes conditions générales n'implique pas l'acceptation de toute forme d'offre, dans le cadre des négociations en cours, cependant, lesdites conditions générales remplacent et annulent celles qui ont précédemment proposées par chacune des parties.
**2.3.** L'envoi de la part d'Athena de listes de prix ou matériel descriptif qui ne présente pas le terme «offre» ou autre équivalent, ne peut être considéré comme une proposition. Le terme «sans engagement», «si disponible» ou des autres termes semblables apposés par Athena n'engagent pas cette dernière aux conditions de l'offre même en cas d'acceptation de l'offre de la part de l'acquéreur, sauf après confirmation écrite ou exécution conforme de la part d'Athena. L'offre est considérée comme ferme ou irrévocable uniquement si elle est qualifiée comme telle par l'acquéreur avec une confirmation écrite précisant une durée de validité de la clause.
**2.4.** L'acceptation d'un contrat par l'acquéreur, peu importe la façon dont elle est effectuée, implique son adhésion aux présentes conditions générales. Si Athena émet une confirmation de commande, même successivement à la conclusion du contrat, il est réputé que les conditions du contrat correspondent à ceux de la confirmation de la commande, sauf si l'acquéreur en constate immédiatement les différences par écrit.
**2.5.** L'acceptation sans réserve expresse de la part de l'acquéreur des produits non conformes au type ou à la quantité envoyés à des conditions différentes de celles contenues dans la demande de l'acquéreur, implique l'acceptation par celui-ci de la fourniture et des conditions proposées par Athena. Les réserves susmentionnées (même si elles sont formulée sous la forme de précision ou de rectification des conditions de fourniture) ne seront pas efficaces à moins d'être formulées par écrit par l'acquéreur, immédiatement après réception des marchandises.
**2.6.** Tous les enregistrements ou transcriptions demandées par les États contractants ou dans le pays de destination des marchandises pour donner plein effet aux contrats réglementés par ces conditions générales, ou à une de leurs clauses, devront être faits par l'acquéreur à ses propres frais et soins.
**2.7.** En acceptant les présentes Conditions Générales de Vente, l'acquéreur s'engage à ne pas revendre les produits contractuels à des opérateurs professionnels qui opèrent par l'intermédiaire de plateformes en ligne (e-marketplace).

**Article 3 - ÉCHANTILLONS, DESSINS ET DOCUMENTS TECHNIQUES**
**3.1.** Les poids, dimensions, capacités, prix, rendements, couleurs et autres données contenues dans les catalogues, brochures, circulaires, annonces, illustrations, listes de prix ou autres documents d'illustration d'Athéna, ainsi que les caractéristiques des échantillons et modèles de cette dernière a envoyé à l'acquéreur, ont un caractère d'indications approximatives. Ces données ne sont pas contraignantes, sauf dans la mesure où elles sont expressément mentionnées comme telles dans l'offre ou dans l'acceptation écrite d'Athena.
**3.2.** Dans le cas où l'offre ou l'acceptation de l'acquéreur font référence à un échantillon offert par Athena, il est réputé que l'acquéreur, sauf convention contraire expresse par écrit, est lié dans son approvisionnement aux caractéristiques de l'échantillon dans les limites décrites dans la section 3.1.
**3.3.** Dans le cas où Athéna réfère sa fourniture à un échantillon fourni par l'acheteur Athena même - sauf accord contraire par écrit - sera responsable de la conformité de sa performance (dans les limites susmentionnées dans la section 3.1.) aux seules caractéristiques apparentes de l'échantillon.
**3.4.** Tout dessin ou document technique permettant la fabrication ou le montage des produits vendus ou de leurs parties et étant remis à l'acquéreur, qu'il s'agisse d'avant ou après la stipulation du contrat, demeure l'exclusive propriété d'Athena. Ces dessins ou documents ne peuvent pas être utilisés par l'acquéreur ou copiés, reproduits, transmis ou communiqués à des tiers sans le consentement écrit d'Athena.

**Article 4 - GARANTIE**
**4.1.** En dehors de la portée des articles précédents, et sauf tel que convenu par écrit selon le cas entre les parties, Athena assure la conformité des produits fournis à ce qui a été expressément convenu. La garantie pour les défauts est limitée aux défauts des produits résultant de défauts de conception, de matériau ou de construction qu'on peut ramener à Athéna, et ne s'applique pas si l'acquéreur ne donne pas la preuve qu'il a fait une bonne utilisation, entretien et entreposage des produits et ne les a pas modifiés ou réparés sans le consentement de la part d'Athena.
**4.2.** La période de garantie est limitée à 12 mois à compter de la date de la livraison, et fait l'objet de la plainte régulière faite par l'acquéreur conformément à l'article suivant, ainsi que l'expresse demande écrite à Athena d'effectuer une demande de garantie. En vertu de cette demande Athena doit (à son choix), dans un délai de temps raisonnable dû à l'entité de la contestation, alternativement:
a) fournir gratuitement EXW à l'acquéreur des produits du même genre et quantité que ceux trouvés défectueux ou non conformes aux spécifications convenues, Athéna, dans ce cas peut exiger, à la charge de l'acquéreur, le rendement des produits défectueux, qui deviennent de sa propriété;
b) réparer le produit défectueux à ses propres frais, ou un changement qui n'est pas conforme à celui convenu, en effectuant les opérations ci-dessus sur le site ou dans ses usines; en ce cas tous les coûts liés au transport des produits seront supportés par l'acquéreur;
c) payer des dommages à l'acquéreur, en l'accréditant un montant égal au coût de la réparation ou modification du produit auprès de leurs établissements; d) indiquer par écrit la résiliation du

contrat, offrant de rembourser le prix contre le retour des produits fournis. Sauf faute grave ou intentionnelle de la part d'Athena, le remboursement éventuel pour tout dommage causé à l'acheteur ne peut pas dépasser le prix facturé des marchandises contestées.
4.3. Tous les produits Racing utilisés à des fins anarchiques ne sont soumis à aucune garantie. Athena en décline toute responsabilité.
4.4. La garantie visée au présent article est en lieu et place des garanties juridiques pour les défauts et la conformité et exclut toute autre responsabilité d'Athena pouvant résulter des produits fournis, en particulier, l'acquéreur ne doit pas faire d'autres revendications d'indemnisation pour les dommages, ou la résiliation du contrat. Passée la période de garantie aucune réclamation ne peut être invoquée contre Athena.

**Article 5 - PLAINTES**
5.1. Sous réserve, en tant qu'applicables, les dispositions de la loi du 21 Juin 1971, en vertu de l'article. 1:
a) les plaintes concernant la quantité, poids, valeur de tare, couleur ou défauts de qualité ou de non-conformité que l'acquéreur a pu détecter dès qu'il est entré en possession des marchandises, doivent être effectuées par l'acquéreur dans un court délai à partir du moment où les marchandises ont été reçues à la destination et en toute éventualité, sous peine de déchéance, au plus tard 15 jours à partir de ce moment-là;
b) les vices, les défauts ou non-conformités cachés (ceux qui ne sont pas identifiés sur la base de la vérification exigée par la loi et par le présent paragraphe à l'acquéreur) doivent être signalés dans un bref délai de découverte et dans tous les cas, sous peine de déchéance, au plus tard 12 mois après la date de livraison.
5.2. Les réclamations doivent être faites par lettre recommandée adressée à Athéna, et doivent décrire en détail les défauts ou non-conformités contestées. Ils doivent également contenir une estimation du coût de la réparation ou de la modification de produits sur le site lorsque cela est possible. En l'absence de ces conditions, les plaintes n'ont aucune validité.
5.3. Si la réclamation s'avère infondée, l'acquéreur devra indemniser à Athéna toutes les dépenses engagées par lui pour en déterminer la constatation (voyage, études, etc.); l'acquéreur aura la même obligation si la plainte ne s'avère que partiellement fondée, pour un pourcentage supérieure à 30 pour cent par rapport aux contestations faites à l'origine.
5.4. Pour les marchandises retournées en raison de commandes reçues incorrectes de votre part nous serons forcés à appliquer sur notre note de crédit une déduction de 15% sur la valeur de la marchandise retournée avec un minimum de Euro 20,00.

**Article 6 - RÈGLEMENTS TECHNIQUES ET RESPONSABILITÉ DU PRODUCTEUR**
6.1. Pourvu qu'en ce qui concerne les caractéristiques des produits Athena l'on adhère aux normes législatives et techniques en vigueur en Italie, l'acheteur assume entièrement le risque de divergence entre les règles italiennes et celles du pays de destination des produits, en préservant l'indemnité d'Athena.
6.2. Athéna est responsable des dommages causés aux personnes ou aux biens résultant de CONDITIONS GÉNÉRALES DE VENTE produits vendus uniquement en cas de négligence grave avérée dans la fabrication des ses produits, mais en aucun cas ne pourra être tenue responsable des dommages indirects ou consécutifs, de la perte de production ou des profits.
6.3. Nonobstant ce qui précède, l'acquéreur devra indemniser Athéna dans toutes les actions de tiers fondées sur la responsabilité découlant des produits vendus et verser une indemnité pour les dommages découlant des réclamations en question, Athéna pourra impliquer l'acquéreur - qui, en retour devra prendre toutes les mesures nécessaires pour l'action - dans le jugement intenté par des tiers.

**Article 7 - LIVRAISON**
7.1. Sauf différente convention écrite, la vente est faite FOB: même s'il est convenu qu'Athena s'occupe de l'expédition (ou une partie de celle-ci), dans lequel cas, il agira comme un représentant de l'acquéreur, dans l'accord visant que le transport sera effectué aux frais et risques de ce dernier.
7.2. En cas de retard de livraison, l'acquéreur peut annuler la partie non livrée de la commande seulement après en avoir communiqué à Athéna l'intention, par courrier recommandé avec accusé de réception, et lui avoir accordé 15 jours ouvrables suivant la réception de cette notification, dans la limite desquels Athéna livrera les produits spécifiés dans la demande et non déjà livrés. Toute forme de responsabilité pour les dommages résultant d'un retard ou défaut de livraison, en totalité ou en partie, est de toute façon exclue.
7.3. Sauf convention contraire, la livraison FOB des produits arrive à travers un avis écrit (y compris par télex) à l'acquéreur que les produits sont à sa disposition ; l'acquéreur aura ..... jours à compter de l'envoi du présent avis afin d'en assurer le retrait.
7.4. Si l'acquéreur ne procède pas au retrait des produits dans les délais prévus à l'alinéa précédent, Athéna s'engage à rembourser les coûts d'entreposage, pour un montant forfaitaire fixé à 10% de la facture aux produits mêmes pour chaque semaine de retard; après 30 jours Athena pourra également vendre les produits par n'importe quel moyen, au nom de l'acquéreur, en retenant la totalité du prix dû (quelles que soient les conditions de paiement convenues) ainsi que les dépenses engagées.

**Article 8 - PAIEMENT**
8.1. Le paiement doit être fait, sauf accord contraire par écrit, exigible à la livraison ou de la manière et conditions précisés selon les offres. En cas de paiement par lettre de crédit, cette dernière devra être ouverte peu de temps après la conclusion du contrat dans sa plus simple expression et en conformité avec les dispositions du contrat, elle devra être irrévocable et confirmée par une banque de premier ordre en Italie. Tous les paiements effectués aux agents, représentants ou assistants de commerce d'Athéna ne seront pas effectués avant que les montants ne parviennent à cette dernière.
8.2. Tout retard ou irrégularité dans le paiement à Athéna lui donne le droit de suspendre les livraisons ou de résilier les contrats en cours, même s'ils ne sont pas pertinents aux paiements, ainsi que le droit à l'indemnisation des dommages. Athéna a droit - après la date limite de paiement, sans nécessité de mise en demeure – aux intérêts à la livraison dans la mesure du taux d'escompte applicable dans son pays, augmenté de 7 points.
8.3. L'acheteur doit verser la totalité du paiement en cas de litige ou de controverse. Toutefois, en ce qui concerne les montants contestés, elle a le droit de les déposer dans une banque italienne jusqu'à ce que le litige ait été résolu, en obligeant la banque de transmettre ces sommes à Athéna dans le cas de la résolution des litiges, en faveur de cette dernière. La compensation avec d'éventuels crédits, pouvant s'être produits, envers Athena, n'est pas permise.

Article 9 - RÉSERVE DE PROPRIÉTÉ
9.1. Dans le cas où le paiement doit être effectué - en tout ou en partie - après la livraison, les produits livrés restent de la propriété d'Athena jusqu'au moment du paiement intégral du prix dans la mesure permise par la loi du pays où les produits se trouvent.
9.2. L'acquéreur s'engage à faire tout le nécessaire pour construire dans son pays une réserve de propriété valable dans la forme la plus vaste possible, ou à s'engager dans une forme similaire de garantie en faveur d'Athena.

**Article 10 - FORCE MAJEURE ET ONÉROSITÉ EXCESSIVE**
10.1. En cas incendies, effondrements, inondations, manque de fournitures, perturbation, grèves, grèves patronales ou d'autres

événements pour cause de force majeure, qui empêchent ou réduisent considérablement la production dans l'établissement Athena ou bloquent les transports entre l'établissement d'Athena et la destination des produits, la partie contractante touchée a droit à une prorogation pouvant aller jusqu'à 45 jours (90 dans les pires cas) des conditions de livraison ou de prélèvement des produits, à condition d'avis par écrit immédiatement de la part de l'autre partie au moment de la survenance de l'événement du cas de force majeure.
**10.2.** Une fois expirés les délais susmentionnés et s'il persiste la situation de force majeure, l'autre partie pourra résilier le contrat, en transmettant un avis écrit par courrier recommandé avec accusé de réception à la partie défaillante. Dans ce cas, cette partie n'aura aucune obligation de payer des dommages-intérêts.
**10.3.** Si pour une raison imprévue un entrepreneur du secteur avec une expérience normale, trouve que les obligations d'Athena soient devenues - avant leur exécution - trop onéreuses par rapport à la contre-prestation convenue à l'origine, de manière à modifier le rapport lui-même de plus du 20 pour cent, Athena peut demander une révision des clauses contractuelles et, en défaut de quoi, de résilier le contrat. Dans ce dernier cas, cependant, les dépenses encourus en rapport avec la résiliation du contrat devront être remboursées à l'acquéreur.

**Article 11 - RÉSILIATION DU CONTRAT**
**11.1.** L'acquéreur ne peut pas renoncer à sa position dans le contrat ou dans les rapports individuels qui en résultent sans l'approbation écrite du vendeur: Également dans ce cas, l'acquéreur reste conjointement et solidairement responsable avec le cessionnaire pour les obligations cédées.

**Article 12 - INTERPRÉTATION, MODIFICATIONS, CLAUSES NON VALIDES**
**12.1.** Pour l'interprétation des présentes conditions générales, seul le texte italien de ces dernières fait foi.
**12.2.** Toutes les pièces jointes ou prémisses sont une partie intégrante des contrats auxquels ils se rapportent. Toute référence aux listes de prix, conditions générales ou autre matériel d'Athena ou de tiers est réputé se référer aux documents en vigueur au moment du rappel lui-même, sauf indication contraire ; les textes correspondants précédemment en vigueur entre les parties doivent être considéré comme annulés.
**12.3.** Les déclarations faites ou la conduite des parties durant les négociations ou lors de l'exécution du contrat ne peuvent aider à l'interprétation du contrat auquel elles se rapportent, et dans la mesure où elles ne rentrent pas en conflit avec les présentes conditions générales ou avec les accords signés par les parties lors de la conclusion du contrat en question.
**12.4.** Sous réserve des dispositions susmentionnées aux articles 2.4. 2.4. et 2.5., toutes les modifications ou ajouts réalisés par les parties à des contrats couverts par les présentes conditions générales doivent être faits par écrit, sous peine de nullité. La dérogation à une ou plusieurs dispositions des présentes conditions générales ne doit pas être interprétée au sens large ou par analogie, et n'implique pas une volonté de renoncer aux conditions dans leur intégralité.
**12.5.** Toute modification dans les conditions contractuelles convenues entre les parties ne constitue pas novation du contrat, sauf intention contraire exprimée, résultant par écrit.
**12.6.** En cas de dispositions contractuelles invalides ou inefficaces, le contrat dans son intégralité doit être intégré et interprété comme s'il contenait toutes les clauses qui permettent d'atteindre d'une manière compatible avec le droit, au but essentiel poursuivi par l'accord contenant les clauses en question.

**Article 13 - TRIBUNAL COMPÉTENT**
**13.1.** Tout litige relatif ou lié à des contrats couverts par les présentes conditions générales est de la compétence exclusive du Tribunal de Vicence; Athena aura toutefois la faculté d'agir auprès du Tribunal de l'acquéreur.

# CONDICIONES GENERALES DE VENTA

**Artículo 1 - NORMATIVA CONTRACTUAL**

1.1. Las presentes condiciones generales, salvo eventuales derogaciones específicamente acordadas por escrito, reglamentan todos los contratos de venta actuales y futuros entre las partes. Eventuales condiciones generales del comprador no se aplicarán a las relaciones futuras entre las partes salvo que se acepten expresamente por escrito; sin embargo, en tal caso, salvo derogación por escrito, no anularán la eficacia de las presentes condiciones generales, con las cuales se deberán coordinar.

1.2. La referencia a eventuales condiciones comerciales (Franco Fábrica, FOB, CIF, etc.) aludirá a los Incoterms de la Cámara de Comercio Internacional vigentes en el momento de la celebración del contrato.

1.3. Todos los contratos de venta entre las partes, así como las presentes condiciones generales, estarán reglamentados por la ley italiana, en particular por la ley uniforme sobre la venta internacional de bienes muebles, ratificada por la ley del 21 de junio de 1971, así como por la ley uniforme sobre la estipulación de los contratos de venta internacional de bienes muebles, ratificada en la misma fecha; eventuales derogaciones o alusiones de las partes a artículos específicos de la ley italiana no conllevarán la noaplicación de las leyes uniformes antedichas en lo que compete a la disciplina contractual.

1.4. La adhesión a las presentes condiciones generales, así como todos los contratos y comportamientos sucesivos de las partes reglamentados por las mismas, salvo que existan acuerdos contrarios por escrito, no implicarán el otorgamiento al comprador de ninguna exclusiva, ni la instauración de relaciones de concesión, comisión o mandato, con o sin representación, ni tampoco el derecho a utilizar de ninguna forma las marcas y los signos distintivos del vendedor.

**Artículo 2 - ESTIPULACIÓN Y OBJETO DEL CONTRATO**

2.1. Las ofertas hechas por agentes, representantes y auxiliares de comercio de Athena S.p.A. no son vinculantes para Athena hasta no ser confirmadas por ésta.

2.2. El envío de las presentes condiciones generales no implica de por sí aceptación de eventuales ofertas en el ámbito de negociaciones en curso; sin embargo, sustituyen y anulan aquellas propuestas anteriormente por cualquiera de las partes.

2.3. El envío por parte de Athena de listas de precios o de material descriptivo de los productos donde no figure la indicación expresa de "oferta" u otra equivalente no podrá considerarse una propuesta. Las indicaciones "sin compromiso", "sujeto a disponibilidad" y otras análogas aplicadas por Athena a una oferta no vinculan a la misma a los términos de la oferta, ni siquiera en caso de aceptación de la oferta por el comprador, hasta la confirmación por escrito o la ejecución conforme por parte de Athena. La oferta se considera firme e irrevocable sólo si es calificada como tal por escrito y se especifica en ella un plazo de validez de la cláusula.

2.4. La aceptación de un contrato por parte del comprador, con cualquier modalidad, comporta su adhesión a las presentes condiciones generales. En el caso de que Athena haya emitido, incluso posteriormente a la celebración del contrato, una confirmación de pedido, se presume que las condiciones del contrato serán las mismas de la confirmación de pedido, salvo que el comprador haga notar diferencias inmediatamente por escrito.

2.5. La aceptación sin reserva expresa por parte del comprador de productos no conformes en cuanto a tipo o cantidad enviados según condiciones diferentes de aquellas contenidas en la solicitud del comprador implica la aceptación por parte de éste del suministro y de las condiciones propuestas por Athena. Las reservas antedichas (aunque se formulen a modo de aclaraciones o rectificaciones de las condiciones de suministro) no tendrán eficacia si no han sido formuladas por el comprador por escrito inmediatamente después de recibir la mercancía.

2.6. Todos los registros o transcripciones exigidos por el país de cada parte o por el país de destino de los bienes para dar plena eficacia a los contratos reglamentados por estas condiciones generales o a una de las cláusulas deberán ser efectuados por el comprador bajo su responsabilidad y a sus expensas.

2.7. Con la adhesión a las presentes condiciones generales de venta, el comprador se compromete a no revender los productos contractuales a vendedores operativos en plataformas online (lo que se llama "e-marketplace").

**Artículo 3 - MUESTRAS, DIBUJOS Y DOCUMENTOS TÉCNICOS**

3.1. Los pesos, las medidas, las capacidades, los precios, los rendimientos, los colores y demás datos que figuran en los catálogos, prospectos, circulares, anuncios publicitarios, ilustraciones, listas de precios y demás documentos ilustrativos de Athena, así como las características de las muestras y modelos de ésta enviados al comprador, son de carácter indicativo. Estos datos no tienen ningún valor vinculante, salvo en la medida en que hayan sido expresamente mencionados en la oferta o en la aceptación escrita de Athena.

3.2. Si la oferta o la aceptación del comprador hacen referencia a una muestra ofrecida por Athena, se entiende que el suministro de ésta, salvo que existan acuerdos contrarios por escrito, está vinculado a las características de la muestra dentro de los límites indicados en el punto 3.1.

3.3. En el caso de que Athena tome como referencia para el suministro una muestra suministrada por el comprador, Athena será responsable -salvo que existan acuerdos contrarios por escrito- de la conformidad de su prestación (dentro de los límites enunciados en el punto 3.1.) sólo a las características aparentes de la muestra.

3.4. Cualquier dibujo o documento técnico que permita la fabricación o el montaje de los productos vendidos o de sus partes y que se entregue al comprador, ya sea antes o después de la estipulación del contrato, seguirá siendo propiedad de Athena. Dichos dibujos o documentos no podrán ser utilizados por el comprador ni copiados, reproducidos, transmitidos o comunicados a terceros sin autorización escrita de Athena.

**Artículo 4 - GARANTÍA**

4.1. Fuera del ámbito de aplicación de los artículos anteriores, y sin perjuicio de los acuerdos establecidos por escrito por las partes en cada oportunidad, Athena garantiza la conformidad de los productos suministrados a las condiciones expresamente acordadas. La garantía por defectos se limita a los defectos de diseño, de material o de fabricación que sean responsabilidad de Athena y no se aplica en el caso de que el comprador no pueda dar prueba de que el uso, el mantenimiento y la conservación de los productos han sido correctos y no se han implementado modificaciones o reparaciones sin autorización de Athena.

4.2. La garantía tiene una duración de 12 meses a partir de la fecha de entrega y está supeditada a la regular denuncia efectuada por el comprador según el artículo siguiente, así como a la expresa solicitud por escrito a Athena de efectuar una intervención en garantía. En virtud de la solicitud antedicha, Athena tiene, alternativamente, la obligación (a su elección), en un plazo razonable considerando la magnitud de la reclamación, de:

a) suministrar gratuitamente Franco Fábrica al comprador productos del mismo tipo y en la misma cantidad de aquellos que resulten defectuosos o no conformes a lo acordado; Athena puede, en tal caso, exigir, a expensas del comprador, la devolución de los productos defectuosos, que pasarán a ser de su propiedad;

b) reparar a sus expensas el producto defectuoso o modificar aquel no conforme a lo acordado, efectuando las operaciones antedichas in situ o en su fábrica; en estos casos, todos los costes de transporte de los productos estarán a cargo del comprador;

c) indemnizar al comprador por los daños, acreditándole un importe igual al coste de la reparación o modificación del producto

efectuada en su fábrica;
d) declarar por escrito la rescisión del contrato, ofreciendo el reembolso del precio contra la devolución de los productos suministrados. Salvo en caso de dolo o culpa grave por parte de Athena, la eventual indemnización de daños al comprador no podrá superar el precio de la factura de los productos que son objeto de reclamación.
**4.3.** Los productos "Racing" destinados a la competición deportiva no están cubiertos por ninguna garantía expresa ni implícita, y Athena se exime de cualquier responsabilidad.
**4.4.** La garantía que es objeto del presente artículo anula y sustituye las garantías legales por defectos y noconformidades y excluye cualquier otra posible responsabilidad de Athena que de alguna manera puedan originar los productos suministrados; en particular, el comprador no podrá presentar ulteriores demandas de indemnización de daños, reducción de precio o cese del contrato. Transcurrido el plazo de garantía, no se hará valer ninguna pretensión contra Athena.

**Artículo 5 - RECLAMACIONES Y DEVOLUCIONES**
**5.1.** Sin perjuicio de la aplicación, en lo que corresponda, de las disposiciones de la ley del 21 de junio de 1971, a saber, art. 1:
a) las reclamaciones relativas a cantidad, peso, tara total, color, defectos o fallas de calidad o noconformidades que el comprador podría observar al recibir la mercancía deberán ser presentadas por el comprador en un breve plazo desde el momento en que los productos lleguen al lugar de destino y, en cualquier caso, so pena de caducidad, no después de 15 días desde dicho momento;
b) los defectos, fallas o no-conformidades ocultos (no identificables mediante la verificación exigida al comprador por la ley y por el punto anterior) deberán ser denunciados en un breve plazo desde su descubrimiento y, en cualquier caso, so pena de caducidad, no después de 12 meses desde la fecha de entrega.
**5.2.** Las reclamaciones deben efectuarse por carta certificada dirigida a Athena y deben indicar detalladamente los defectos y no-conformidades observados. Además, deben contener un presupuesto de los costes de reparación o modificación de los productos in situ, en lo posible. En ausencia de estos requisitos, las reclamaciones no tendrán eficacia alguna.
**5.3.** Si la reclamación resulta infundada, el comprador tendrá la obligación de reembolsar a Athena todos los gastos en los que ésta haya incurrido para la verificación (viajes, inspecciones, etc.); la misma obligación tendrá el comprador si la reclamación resulta sólo parcialmente fundada, en un porcentaje no superior al 30 por ciento respecto de las reclamaciones presentadas inicialmente.
**5.4.** En caso de devolución de mercancías por errores en los pedidos, se aplicará a la nota de crédito una retención del 15% sobre el valor de la mercancía devuelta, con un mínimo de 20 Euro.

**Artículo 6 - NORMAS TÉCNICAS Y RESPONSABILIDADES DEL FABRICANTE**
**6.1.** Dado que, en lo que hace a las características de los productos, Athena se atiene a la legislación y a las normas técnicas vigentes en Italia, el comprador asume por completo el riesgo de eventuales divergencias entre las normas italianas y las del país de destino de los productos, eximiendo a Athena de cualquier responsabilidad.
**6.2.** Athena es responsable de los daños a personas o bienes originados por los productos vendidos sólo en caso de grave negligencia probada en la fabricación; en ningún caso podrá considerarse responsable de daños indirectos o secundarios, pérdidas de producción o ausencia de ganancias.
**6.3.** Sin perjuicio de lo establecido más arriba, el comprador eximirá a Athena de todas las acciones emprendidas por terceros fundadas en responsabilidades originadas por los productos vendidos, y la indemnizará por los daños derivados de las pretensiones en cuestión; Athena podrá hacer participar al comprador -que por su parte deberá emprender todas las iniciativas necesarias para intervenir- en el juicio eventualmente iniciado por tales terceros.

**Artículo 7 - ENTREGA**
**7.1.** Salvo que existan acuerdos contrarios por escrito, la venta se considerará efectuada Franco Fábrica aun en el caso de que el envío (o parte de él) esté a cargo de Athena, en cuyo caso ésta actuará como mandatario del comprador, quedando entendido que el transporte se efectuará a expensas y riesgo de éste.
**7.2.** En caso de retraso en la entrega, el comprador podrá anular la parte del pedido no entregada sólo después de comunicar su intención a Athena por carta certificada con acuse de recibo y concediéndole 15 días hábiles desde la fecha de recepción de dicha comunicación, plazo en el que Athena podrá entregar todos los productos especificados en la intimación y aún no entregados. De todas maneras, se excluye cualquier responsabilidad respecto de daños derivados de retrasos o faltas de entrega totales o parciales.
**7.3.** Salvo que existan acuerdos contrarios, para la entrega Franco Fábrica de los productos se envía al comprador una comunicación escrita (incluso vía télex) en la que se le notifica que los productos están a su disposición; el comprador tiene ..... días desde el envío de tal comunicación para efectuar el retiro.
**7.4.** Si el comprador no retira los productos dentro del plazo previsto en el apartado anterior, deberá reembolsar a Athena los gastos de almacenaje, que se fijarán en un forfait del 10% del importe de la factura relativa a los productos por cada semana de atraso; transcurridos los 30 días, Athena podrá vender por cualquier medio los productos por cuenta del comprador, reteniendo el precio total debido (independientemente de las condiciones de pago acordadas), así como el importe de los gastos en los que haya incurrido.

**Artículo 8 - PAGO**
**8.1.** El pago deberá efectuarse, salvo que existan acuerdos contrarios por escrito, en el momento de la entrega o con las modalidades y según las condiciones establecidas para cada oferta. En caso de pago mediante carta de crédito, ésta deberá ser abierta en un breve plazo desde la celebración del contrato en la forma más simple y conforme a las previsiones del contrato, y deberá ser irrevocable y confirmada por un banco italiano importante. Eventuales pagos hechos a agentes, representantes o auxiliares de comercio de Athena no se considerarán efectuados hasta que ésta no reciba los importes correspondientes.
**8.2.** Cualquier retraso o irregularidad en el pago da a Athena el derecho a suspender los suministros o rescindir los contratos en curso, aun aquellos no relacionados con los pagos en cuestión, así como el derecho a la indemnización de eventuales daños. De todas maneras, Athena tiene derecho -a partir de la fecha de caducidad del pago, sin necesidad de puesta en mora- a los intereses moratorios en la medida de la tasa de descuento vigente en su país aumentada en 7 puntos.
**8.3.** El comprador tiene la obligación de efectuar el pago integral aun en caso de reclamación o controversia. Athena tiene la facultad de depositar eventuales importes que sean objeto de controversia en un banco italiano hasta la resolución de la controversia, comprometiendo al banco a enviar tales importes a Athena en caso de resolución de la controversia a favor de ésta. No se admiten compensaciones con eventuales créditos del comprador para con Athena, independientemente de su origen.

**Artículo 9 - RESERVA DE PROPIEDAD**
**9.1.** Si el pago se efectúa -total o parcialmente- después de la entrega, los productos entregados siguen siendo propiedad de Athena hasta el momento del pago total del precio en la medida permitida por la ley del país donde se encuentren los productos.
**9.2.** El comprador se compromete a hacer lo necesario para constituir en dicho país una válida reserva de propiedad en la forma más extensa permitida, o para implementar una forma de garantía análoga a favor de Athena.

**Artículo 10 - FUERZA MAYOR Y EXCESIVA ONEROSIDAD**

**10.1.** Cuando ocurran incendios, derrumbes, inundaciones, faltas de abastecimiento, problemas de transporte, huelgas, cierres patronales u otros acontecimientos debidos a casos de fuerza mayor, que impidan o reduzcan considerablemente la producción en las plantas de Athena o bloqueen los transportes entre la planta de Athena y el lugar de destino de los productos, la parte afectada tendrá derecho a una prórroga de hasta 45 días (extensibles a 90 en los casos más graves) de los plazos de entrega o retiro de los productos, siempre que avise inmediatamente por escrito a la contraparte acerca del caso de fuerza mayor.

**10.2.** Transcurridos los plazos antedichos, en caso de persistir la situación de fuerza mayor, la otra parte podrá rescindir el contrato, enviando por carta certificada con acuse de recibo una comunicación a la parte incumplidora. Ésta no tendrá, en este caso, ninguna obligación de indemnización de daños.

**10.3.** Si, por cualquier otro motivo imprevisible para un empresario del sector con experiencia normal, la ejecución de las obligaciones de Athena resulta -antes de su ejecución- excesivamente onerosa en relación con la contraprestación originariamente acordada, hasta el punto de superar el 20 por ciento, Athena puede solicitar una revisión de las condiciones contractuales y, en su defecto, declarar el contrato rescindido. En este caso, se devolverán al comprador los gastos en los que éste haya incurrido para celebrar el contrato cesado.

**Artículo 11 - CESIÓN DEL CONTRATO**

**11.1.** El comprador no puede ceder su posición en el contrato o en las obligaciones individuales derivadas del contrato sin la aceptación escrita del vendedor: aun en tal eventualidad, el comprador seguirá siendo, junto al cesionario, solidariamente responsable de las obligaciones cedidas.

**Artículo 12 - INTERPRETACIÓN, MODIFICACIONES, CLÁUSULAS NO VÁLIDAS**

**12.1.** Para la interpretación de las presentes condiciones generales es fehaciente únicamente el texto italiano.

**12.2.** Eventuales anexos o premisas se considerarán parte integrante de los contratos a los que se refieren. Cualquier reclamación sobre las listas de precios, las condiciones generales u otro material de Athena o de terceros se considerará referida a los documentos vigentes en el momento de la reclamación, salvo que se especifique lo contrario; deberá considerarse anulado todo anterior acuerdo previamente vigente entre las partes.

**12.3.** Las declaraciones efectuadas o el comportamiento de las partes durante las negociaciones o la ejecución del contrato pueden contribuir a la interpretación del solo contrato al que se refieren, y siempre que no contradigan las presentes condiciones generales o los acuerdos escritos establecidos entre las partes al celebrar el contrato en cuestión.

**12.4.** Sin perjuicio de lo establecido en los artículos 2.4. y 2.5., cualquier modificación o integración aplicada por las partes a los contratos a los que se aplican las presentes condiciones generales deberá efectuarse por escrito, so pena de nulidad. La derogación a una o varias disposiciones de las presentes condiciones generales no debe interpretarse extensivamente o por analogía y no implica la voluntad de no aplicar las condiciones generales en su conjunto.

**12.5.** Eventuales variaciones de las condiciones contractuales acordadas entre las partes no constituyen novación del contrato, salvo que conste lo contrario expresamente por escrito.

**12.6.** En caso de disposiciones contractuales no válidas o ineficaces, el contrato en su conjunto se integrará e interpretará como si contuviera todas las cláusulas que permiten lograr, de manera conforme a la ley, el objetivo esencial perseguido por el acuerdo contenido en las cláusulas en cuestión.

**Artículo 13 - TRIBUNAL COMPETENTE**
