MOTION 2

MOTION 2 JACKET

The Jitsie Motion 2 jacket is the ultimate lightweight jacket for trials, utilising a soft and flexible outer shell featuring water-repellent and breathable fabrics for optimal riding comfort in even the worst weather conditions.

The super light quality zippers are an absolute must for any trials rider to easily reach and put away the scorecard. With plenty of storage pockets there is no problem to take all the essentials with you while riding. To increase ventilation throughout the jacket, we installed multiple air vents in strategic spot to ensure maximum coolness. Of course, with the zip-off sleeves that can be easily stored in the back pockets, the choice is all yours!

Main features:

- \equiv Water-repellant and breathable outer shell
- ∃ Fleece lined collar for extra comfort
- ∃ Multiple vents prevent overheating
- ∃ Zip-off sleeves that can be easily stored in the rear side pocket
- ∃ No hassle minimalist neck closure

WEIGHT: 690G (SIZE M)

HOPPER 2

The waterproof lightweight Jitsie Hopper 2 jacket and pant keep you dry in any type of terrible weather you have to battle through. The Hopper 2 gear features top of the range fabrics, flexible lycra wrist and collar bindings, multiple pockets, discrete venting panels, reflective piping and finished off with distinctive Jitsie logos to give it that specific trials look!

Main features:

- ∃ Lightweight waterproof fabrics
- ∃ Multiple storage pockets
- \equiv High collar on jacket to keep rain out
- ∃ Lycra collar bindings for a comfortable tight fit
